

Chapter I

Changes

So...
how was
work today?

Ugh, it
was stressful
as usual.

There were
so many last
minute orders for
the festival
that I had to
miss lunch.

Luckily, I
also did my own
shopping in-between
the deliveries.

Ooh!
What kind of
things did
you get?

Oh y'know,
the same old stuff.
Otter Cookies, camping
gear, and the latest
issue of *Explorers*.

Are you
excited for the
Sky Festival?

To be honest,
I'm still a
bit nervous,
but I'm
also excited.

Is that so?
You shouldn't have
to worry too much
about a thing!

I know all
of the good stands
and games at the
festival, so it'll
be fun.

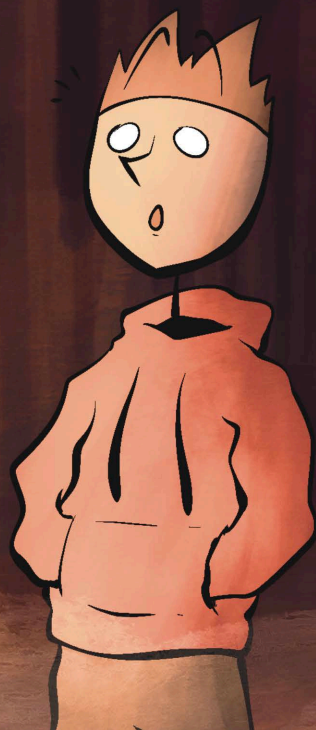

Oh, okay!
Thanks for
agreeing to going
out on this date
with me. I really
appreciate that
we get to spend
time between
ourselves.

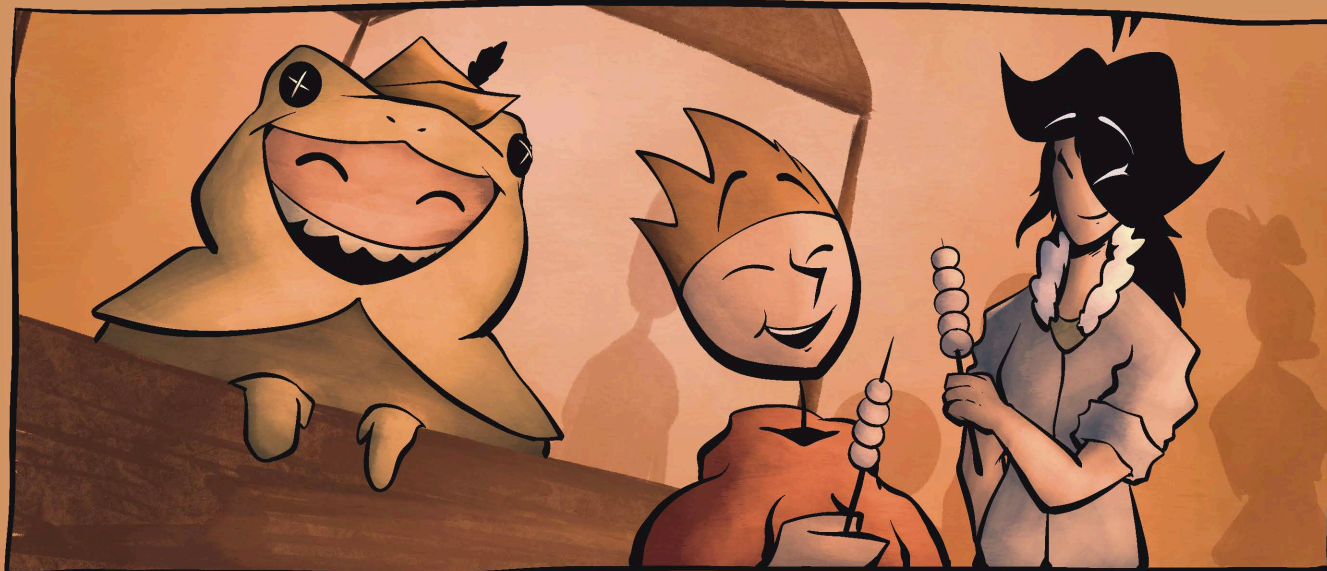

Of course!
I'm also glad
that we're spending
time together.
These dates
have been
fun!

Well, I hope this
festival will be as
fun as I've heard
from the others.

That was
a lot of fun!
Thanks for showing
me around.

Yeah, no
problem! These
festivals always have
the best seasonal
attractions!

We should
definitely do
this again
next year!

Yeah, but I'm
expecting your aim to
get better next year. I can't
keep winning all of the
shooting gallery games
for you, y'know!

Oh, come on!
It was only **one**
game. You should've let
me get used to it.

Haha!

Sure, we'll
see about that
at the range
tomorrow...

...T-Tomorrow?

...And that's how the Dream Lantern Festival came to be!

It's the yearly tradition of connecting to the fabled and fantastical world of Paperville.

Sup, bro!

Oh, is that you, Big Sis? You have Mark with you too?

You both made it!! I'm so glad to see you.

Greetings, Mark & Tracy.

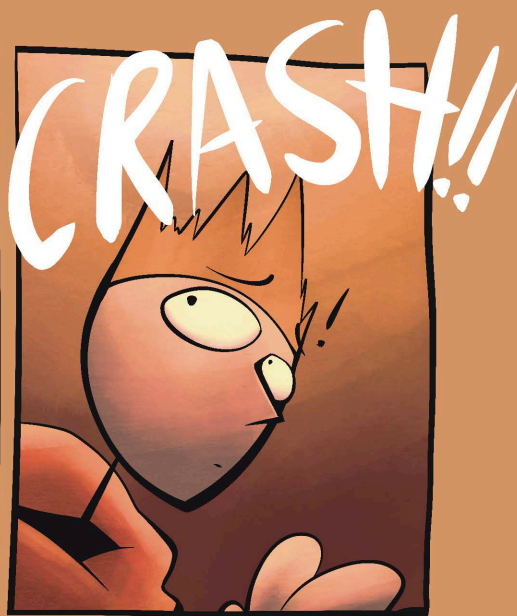

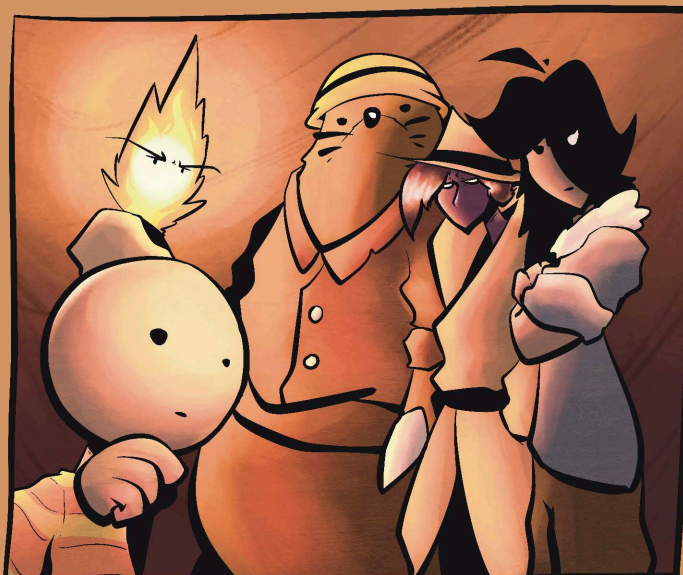

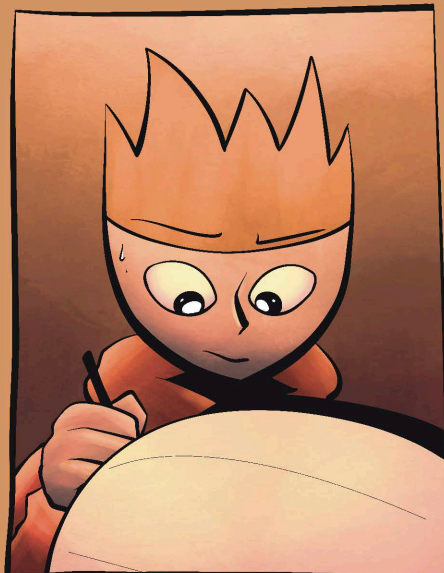

Come join us, it's almost time to release the lanterns.

Thanks, lil' bro.

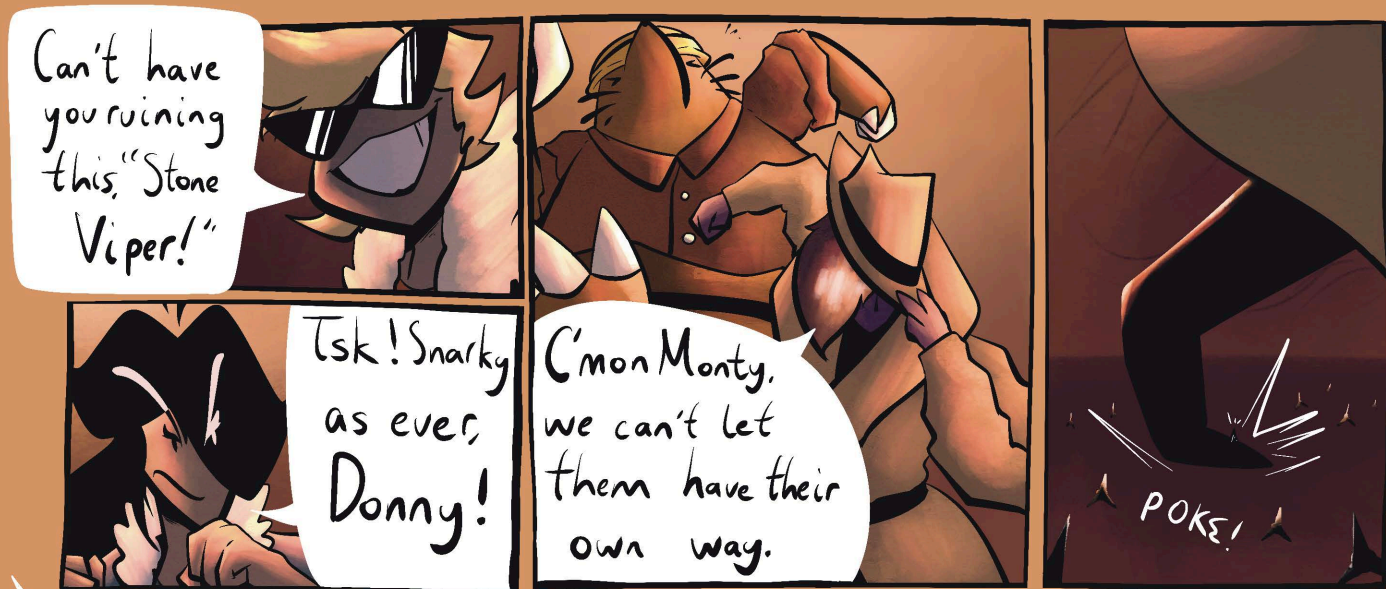

Here, these lanterns are for you.

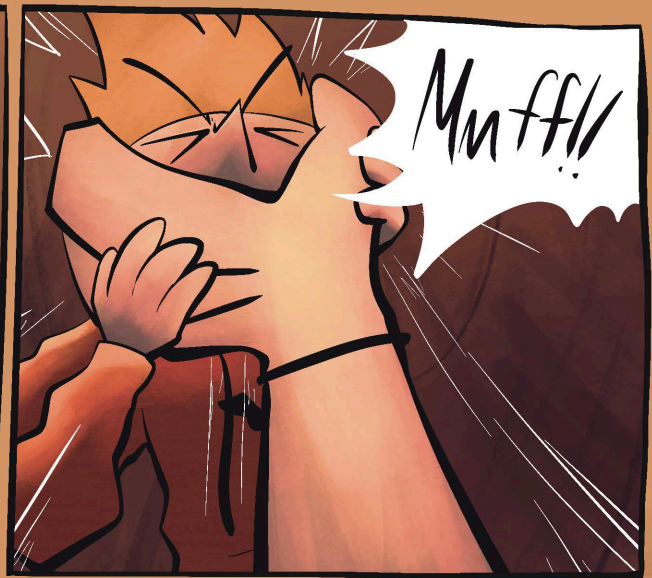

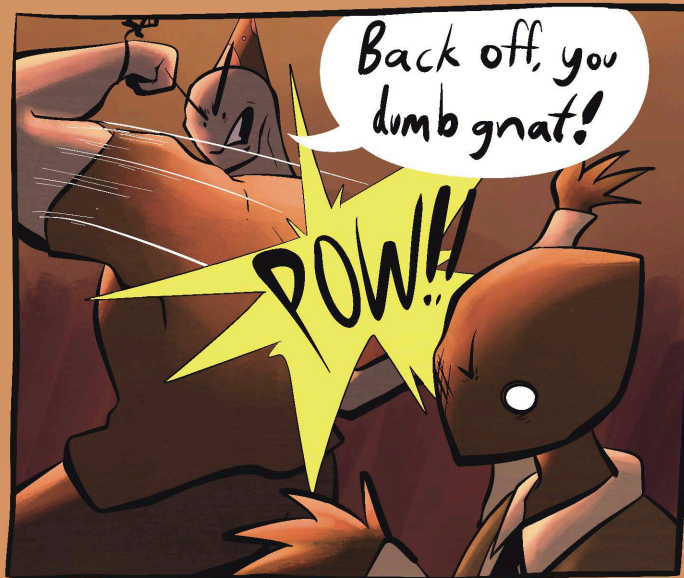

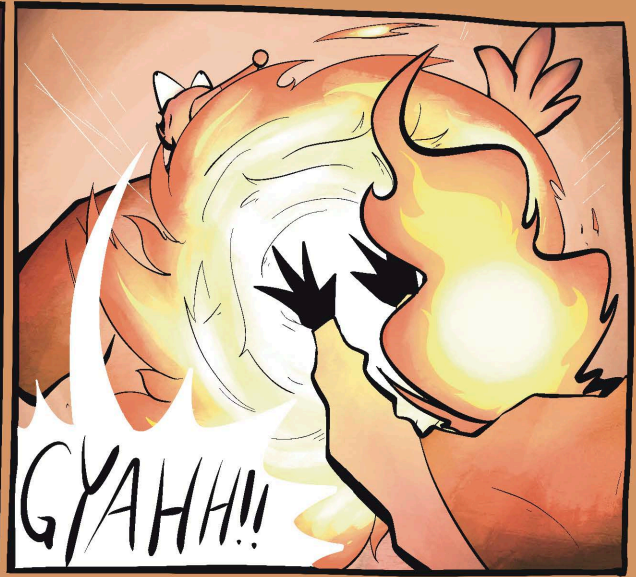

Uh... What do I do with this?

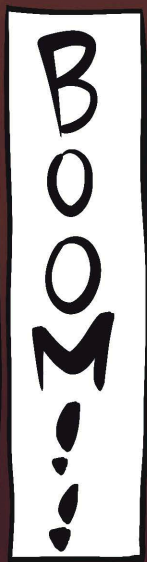

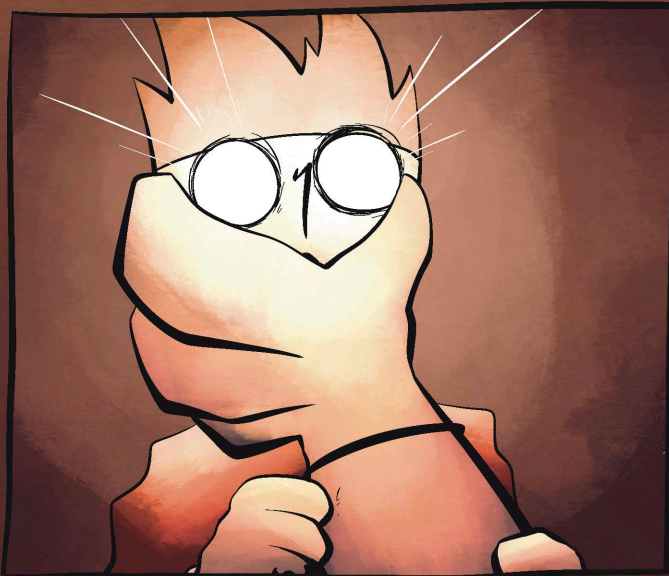

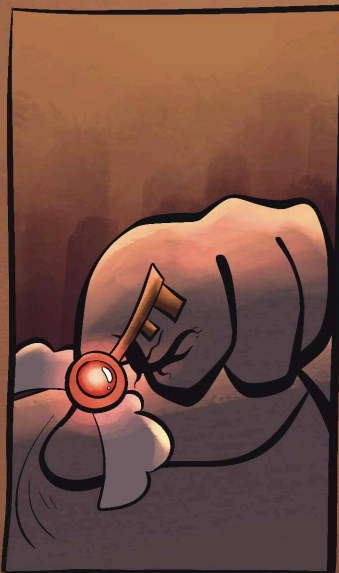

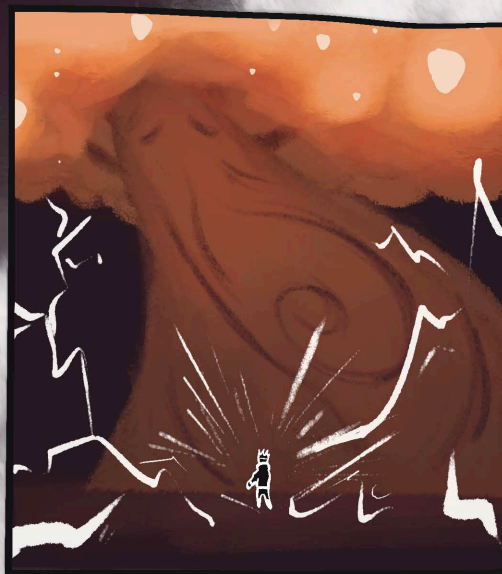

BOOM!

AAAH!!
